Drive Started On Mail-Order

ESCANABA, MICHIGAN - Zip Code 49829

WASHINGTON (AP) - The Johnson administration today opened its fight for a bill to curb mail-order traffic in guns with a charge by Atty. Gen. Nicholas Katzenbach that the National Rifle Association has used "misleading" and "preposterous" arguments against the measure.

Katzenbach, lead-off witness before the Senate Juvenile Delinquency subcommittee, devoted a considerable part of his repared statement to a pointby-point rebuttal of NRA objections to the legislation.

The bill, Katzenbach said, is designed "to help the states protect themselves against the unchecked flood of mail-order weapons to residents whose purposes might not be responsible, or even lawful."

The principal provision of the bill would prohibit unlicensed persons from transporting, shipping or receiving firearms in interstate or foreign commerce.

The attorney general said that the NRA, in a letter urging its 700,000 members to pressure congressmen and senators to oppose the bill, warned that "if the battle is lost, it will be your loss, and that of all who follow."

The Bark River-Harris Teachers Club held a dinner party at the Dells Supper Club Saturday evening honoring Mrs. E. J. MacMartin, English and foreign language instructor at Bark River-Harris High School,

who is retiring from teaching at the end of the year. Mrs. Harold Bruce, mistress of ceremonies, introduced Attorney and Mrs. Wheaton Strom, long time friends of Mrs. MacMartin. Mr. Strom reminisced about her activities, many interests and various contributions to society throughout the years she has been in Escanaba.

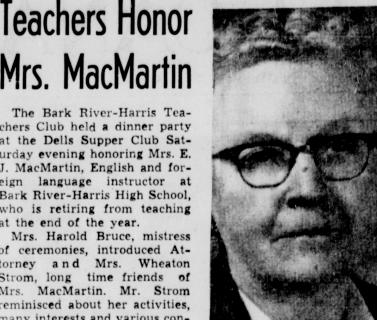

Richard Hendra, superintendent of Bark River-Harris Schools, presented her with a certificate of merit from the MEA for her years of service. Ray Raymond, principal of Junior High and president of the Wally Arntzen Teachers Club, presented their gifts to her. Other speakers Speaks Tonight were Leo Brunelle, former Bark River - Harris superintendent, high school, and Carl Ahlin of the Board of Education.

She does not, she says, favor Joseph LaVigne, elementary building. teacher, who is leaving the school system and will live in in the early days of aviation, California. Also honored was C. including mercy flights and the B. Roels, coach, who is leaving rescue of fishermen stranded for Arco, Idaho.

This can be the start of something great!

June 1st the residents of Escanaba will vote on the proposed sale of the Escanaba Gas Company, recommended by the City Council. Until the votes are counted no one knows if Escanaba will have Michigan Consolidated Gas service. However, since the Federal Power Commission has approved our application to build a natural gas pipeline north from Menominee, our workmen are in the field and construction has begun on lines to serve the communities surrounding Escanaba.

But, to insure that Michigan Consolidated natural gas service can be available to Escanaba residents and businesses by fall we cannot wait until after the election. We must start planning of our distribution system within Escanaba immediately.

The completion of these distribution plans will of course depend on the outcome of your June 1st election. However it is necessary that our sales representatives contact all residents in the Escanaba area to determine your fuel requirements. This is so we will know where to install our gas mains. These Michigan Consolidated Sales Representatives are now contacting

Escanaba residents. They will answer your questions regarding our service and will ask you to sign a service agreement. By signing now you can help us plan our construction and assure service to you by this fall if the voters approve the action of your City Council.

And why should you switch to gas service by Michigan Consolidated? For many reasonsincluding the fact that our natural gas will be your most economical fuel. If you're already using City Gas you'll save up to 48% on your heating bills. If you're using fuel sources other than gas you can trim your heating bills by as much as 1/3 when you switch to natural gas. And chances are 95 out of 100 that your present heating system can be easily converted to gas. It'll take your heating contractor only about four hours. The cost is moderate and can be recovered quickly from the savings on your fuel bills. And, incidentally, if you're using propane gas, Michigan Consolidated will convert, at no charge to you, all of your propaneusing appliances, including furnaces designed for both propane and natural gas.

Thanks for your cooperation. See you soon.

County Home Rule

Upper Peninsula Leagues of Women Voters were represented at the annual convention of the state organization in Dearborn last week which ended with a plea to all state legislators to amend the so-called "county home rule" bills now on the floor of the House and Senate.

League members expressed "shock" that the Senate and House committees recommended continuation of the status quo by requiring election of six county officials responsible for county administration.

If the public would express similar shock — as it should - we would be on our way toward giving the people permission to set up the kind of county government they find most suited to their needs. The present form of county government has been described as the "dark continent" of American government. It is headless, responsible chiefly to itself, and retaining trappings created to serve the horse-and-buggy age of our loca! government origins.

The League of Women Voters' new president, Mrs. Robert Foerch of Dearborn, said "These bills require keening the present rigid, out-moded form of county government no matter what local voters may wish. The bills permit a 'county mayor,' but he would be a mere ribbon-cutter and would have little real executive au-

"Home rule." she said "means that local voters decide whether or not they want to elect or appoint administrative officials." The League is urging amendment of the bills to provide this freedom of choice to local voters so they can modernize their county government if they wish.

The people will have a hard time getting their government back from the politicians. Both parties seem cool toward real reform. State Senator Tom Schweigert should be kept elective. This may be, but the people should be trusted to keep electing them, then, under the permission of state law to organize their own county government.

Rep. Einar Erlandsen (D-Escanaba) is even less a Justice Michael D. O'Hara, a friend of home rule. He has stated "I cannot find where Republican from Menominee anything can be gained by a county adopting a char-hard to believe that residents of ter. Photochromic Image Process Will Be Shown

A new photochromic microimage process will be demonstrated to the public in a series

One will be at Northern Michigan University and one for this area will be all next week, May 24-28 at the First National Bank in Escanaba.

With PCMI, almost any record that can be photographed can be stored as a reproducible microscopic image. In a demonstration of the process the entire contents of the bible were mass-produced as a film clip less than 2 inches square.

NCR says image processing today is at a stage of growth roughly comparable to the field of digital data processing 10 years ago and its expects data processing and image processing gradually to merge their capabilities and provide a much more powerful information processing system for an automated society.

PCMI makes possible reproduction of micro-images in quantity at very low cost. A photographic films, photochro-Mozart was a prolific com- micro-image viewer enlarges mic coatings are grain-free and light-sensitive dyes. Unlike scales.

Nahma Lists Top Students

Honor students of the Senior Class of Nahma Township High School are Donald O. Johnson, valedictorian, and Rose Ann Sargent, salutatorian. Commencement will be held Friday evening, May 28, at the Club

Rose Ann was class president her freshman and sophomore year, Homecoming Queen as a sophomore, member of the Student Council in her junior year, and a cheerleader for four years. She participated in the class play and school pap-

She is the daughter of Mr. and Mrs. Henry Sargent and has received a Regents' Scholarship at Eatsern Michigan University, Ypsilanti, in special education.

Don Johnson has been active in sports, was a member of the class play and school paper, was treasurer of his class in his junior and senior years, and was homecoming king in his junior year.

His parents are Mr. and Mrs. George Johnson of Isabella. He plans to enter Western Michigan University next fall.

Dwarf Built-Ins Help Stow Away Little Things

Dwarf built-ins for storage occupy small space but put things where they're needed.

The home handy man needs only some decorative hardboard panels, framing lumber, attractive storage in unconven-

tional locations. A "skinny" cabinet in the bathroom will make room for items usually jammed into a medicine cabinet. Use lumber sides, a hardboard bottom, perforated hardboard back and hardboard sliding doors. Glass growing trend toward the decshelves are ideal.

There's room in a kitchen or near-by hallway for a similar thin cabinet for storing canned goods. Attractive, factory finished hardboard panels in wood grain patterns can be used for enclosing the framing lumber and for sliding doors.

Harnischfeger, **UAW Meeting**

Negotiations between bargaining teams for Harnischfeger Corp. and Local 632 United Auto Workers Union AFL-CIO were resumed Tuesday afternoon and renewed this morning in Escanaba.

The negotiations are seeking

a bargaining agreement to re-

place the one which expired April 15 and whose lack caused a strike at the Escanaba plants of Harnischfeger Corp., which started at 9 a.m., Wednesday, April 28 and which continues. Raymond O. Fish, Escanaba manager of Harnischfeger Corp., announced the resumption of discussions today at the request of state and federal labor mediators, Carl York of Rapid River, and James Despins, Milwaukee, respectively, Fish said today: "Company and union officials were not prepared to comment on what

progress was being made at this time."

Tuberculin Test Bill Is Signed

LANSING - Gov. George Romney has signed into law House Bill 2080 which will proxide for tuberculin skin testing of children entering Michigan schools.

The act adds to the Public Acts immunization law now in effect which requires the parent of a child entering school in Michigan to submit a statement signed by the physician stating that the child has been immunized against small pox, diphtheria, tetanus, whooping cough and poliomyelitis.

Through the addition of the tuberculin skin test greater protection of pre-school chilcured. The law also requires that a record of the immunizations and the tuberculin skin test will be maintained through local and state health depart-

Tensions Eased In Jerusalem

JERUSALEM (AP)-An Arab-Israeli conflict over the Jordan River waters still threatens the Middle East, but tensions have eased in this capital.

The easing is attributed to: the Arab world split over Tunisian President Habib Bourguiba's moderate views toward Israel, successful Israeli armed attacks on Syrian projects to divert the Jordan River, and Israel's armed forces-now completely mechanized and strengthened with American antiaircraft missiles and other new VFW Post And weapons.

Premier Levi Eshkol in an In- Auxiliary Has dependence Day speech May 6 cautioned his countrymen, how- Installation ever, that nothing as yet has happened to justify any slackening in Israel's efforts to evening at the V. F. W. Hall, women of the diocese at its 85th

Education Day Program Ready

The Escanaba Area Public Schools will observe Education Day of Michigan Week Thursday with an unusual program involving students and faculty members at 7:30 p.m. at William W. Oliver auditorium in the Junior High School.

The program was arranged by Dr. Vernon Johnson, Education Day chairman, in cooperation with Luther M. Barrett, Supt. of Schools, and school system teachers and administrators.

Featured will be a sixth grade spelling bee with champions of the system's 13 sixthgrade classes participating.

Dr. Johnson, who is also president of the Board of Education, will read the words with Mrs. Robert Mosenfelder and Dr. William Hemes, Board of Education members, serving as judges.

Contestants are Janet Beck, Linda Borman, Bryan Burak, Rodney Cartwright, Kathy Corcoran, Janet Ferrari, JoAnne Johnson, Cecelia Kallman, Donald Moreai, Mary Pratt, Elaine Ozimac, Debbie Tuyls, and Sally Wertz.

Also included on the program will be music by the 7th grade band directed by David Laakso, a physical fitness demonstration by Washington School sixth graders, a class recitation study on Michigan history by Soo Hill School fifth graders, a high school forensics presenta-

Shanty boys shed their staggred pants, corked boots, wool underwear and shirts and paraded in store-bought clothes. * * *

I have before me a picture of Silver Jack Driscoll, the most famous of fighting men. There he stands in a photographer's studio before a painted backdrop that includes a church steeple; in his right hand he proudly holds a lowcrowned derby hat. His costume includes a long black overcoat, white collar, narrow bow tie. The origin of his name is visible; a streak of white in his thick black hair, extending from brow to crown.

Again and again we heard how, when a lumberjack was downed in a fight, his adversary stomped him with spiked boots. I remember just one aged barfly with the scars of a stomping. I was told how Silver Jack, after fighting a much younger man to an hour-long draw on the main street of Roscommon on a Fourth of putting air pollution controls on July, sat in the back of a drug auto exhaust gases about the store, dripping blood, and said time 1968 cars hit the market. to the doctor, "Sew the kid up

Association Luncheon Will Be Held May 25

Regular monthly luncheon meeting of the Women's Association of First United Presbyterian Church will be held at the church Tuesday afternoon, May 25, at 1:15. Hostesses will be members of Circle IV under the chairmanship of Mrs. Peter Zimmer.

The special speaker for the occasion will be Miss Helen Kent of Sault Ste. Marie, former hospital worker in Nepai,

Reservations for the luncheon should be called in to Mrs. Zimmer, ST 6-1216, or the church office, ST 6-2032, by Monday noon, May 24.

All women of the community are cordially invited.

PTA Council Committee Holds Meeting

A committee meeting sponsored by the Escanaba Area PTA Council was held last evening at the home of Mrs. Jay C. Jennings, chairman.

This committee has been organized to study the merits of curfew laws and codes of conduct pertaining to the parents and youth of our community.

Representing local units were: Mrs. Arthur H. Dahlin, Jefferson: Mrs. F. Wayne Schmitt, Ford River: Mrs. Stanley H. Johnson, Soo Hill: Mrs. Leo Niquette, Washington, Council president: Mrs. Eugene Ecklund, Wells Central; Mrs. Richard Larsen, Washington; Mrs. daughter of Mr. and Mrs. low, green, aqua and orchid. Jennings, Soo Hill and Mrs. William L. Miller, Lemmer.

Interested persons with helpful suggestions or ideas in regard to this subject are asked

The Arizona Republic extion American art is moving abroad.

Heat a variety of drained Mrs. Kefauver grew up fashion designer and commercial artist and illustrator in London before meeting the late Senator on a blind date. "We had three dates and got engaged by mail," she said.

> After marriage she kept up her painting at the Corcoran School of Art in the Capital and later opened a school of art in Washington where she still teaches.

Through her travels she kept wondering "Why don't we do something about those waste walls in American embassies?" She found aid in President Kennedy, who appointed her to the new position of Department of State advisor on fine arts. Her project is to place original North American art in U. S. embassies in over 100 foreign countries.

Having visited 16 embassies plans of others, Mrs. Kefauver has "done" the first 18, with 500 objects of art either established in them or at the Smithsonian Institution at Washington in storage for shipment to

The art includes paintings sculpture, carving, graphics, ceramics, mosaics and wall hangings. The art is on loan for two years to the Department of State, coming from museums, collectors, corporations and in-

dividual artists like Mrs. Deo. The American Embassy in London liked its borrowed art so much that it just bought \$1,200 worth of what hangs on its walls. With each picture hung is the name of the ar-

Upper Peninsula Track Stars Eye Records

Eskymo Shot Putters Are Top Challengers

By RAY CRANDALL (Press Sports Editor)

Records, they say, are made to be broken. And that's just what the current crop of Upper Peninsula high school track and field athletes have in mind heading into the 1965 finals at Houghton Saturday.

Prep athletes have only one opportunity each year to write their names in the Upper Peninsula track record book. That chance is in the U.P. finals, the only

time that performances are?

This poses a distinct Kirk, Sault, 10.4; Dave Rayweather, good track condi- cord 10.2. tions and proper competimishaps, all of which have 22.6. been known to spoil what 440-yard dash (two sections

faster, jumping higher and cord 53.1. farther and throwing the shot greater distances with almost! alarming regularity.

Four Champs Return Last year, as an example, there were 10 new records written into the book at the

U. P. finals in Marquette.

From earlier performances this season, it is possible that there will be that many new marks established Saturday when the finals are staged at Michigan Tech in Houghton.

Competing in the finals will be the athletes who qualified in regional meets held throughout the Upper Peninsula last Saturday. Competition will be

fewer than four boys who cap- Record 15.4. in the finals last year.

Almost 19 Hours MONTREAL, Quebec (NEA)

The Detroit Red Wings set two National Hockey League records last season - one proudly and the other not. The 14 games they won at home between Jan. 21 and March 25 is a new league standard but so is the total number of penalty minutes the squad acquired - a whopping 1,121 for the year.

In This Corner

with Ray Crandall

Jim Groos, who is only a sophomore, set a new Holy Name school record in the 880 run earlier this season when he toured the distance in 2 minutes 8.7 seconds in a triangular meet against Menominee and Escanaba . . . The old record was 2:11.1 set by Ben Yagodzinski last year . . . Groos, who displayed a tremendous finishing kick to take second place in his section of the 880 in the Class A-B regional here Saturday, heads the Holy Name qualifiers for the U. P. finals at Houghton Saturday . . . Other Crusaders who qualified were Bob Bricco in the pole vault, Mike Kidd in the high and low hurdles and

Research in the files of the Escanaba Daily Press by Henry Wylie, Eskymo track coach, reveals that sophomore Paul Miller did not set a new school record with his superb leap of 5 feet 111/2 inches in the Class A-B regional track meet here Saturday . . . George Shomin set the existing record in 1942, going 5 feet 1134 in an exhibition jump in the U. P. Relays here at the Escanaba track . . . Shomin, Ron Rouse and Bob Stephens, all of Escanaba, had tied for the top spot in the U. P. finals a week earlier and the special event was added as a feature event of the Memorial Relays.

Just as injuries cut down Doug Moss of Rapid River in his senior track season, both Dick Berlinski of Kingsford and Jack Berglund fashioned the Jim Johnson of Iron River were severely hampered in their regional tests last weekend . . . Berlinski was edged in both the 100 and 220 yard dashes by teammate Dave Raymond, and did not enter the broad jump or high jump . . . Johnson competing in the Class A-B regional at Bessemer, also settled for a second place in both the sprints and skipped the broad jump.

> Moss, a 6 foot 1 inch standout in basketball as well as track, fell victim to a charley horse in his thigh early in the season that failed to respond to treatment and eventually forced him to the sidelines in the regional meet here last weekend . . . Last year as a junior, Moss took three firsts and a second in the regionals . . . In the U. P. finals he finished second in the low hurdles, high jump and broad jump and third in the high hurdles.

1. Card of Thanks

Dyberg

We wish to express our heartfelt thanks to the many friends, neighbors and relatives who by their acts of kindness in the recent death of our father, grandfather and brother, helped to lighten our burden of sorrow. Especially do we thank the Rev. and Mrs. Avery, Rock Lions Club, American Legion Auxiliary, Faith Ladies Aid, Caroline Kaminen organist, the pallbearers, and the many friends who sent floral bouquets. We thank all of you.

The Family of Ed Dyberg

Weingartner

We wish to take this means of expressing our heartfelt thanks for the many wonderful acts of kindness shown us by neighbors and friends during the illness and death of our dear wife and mother, Mrs. Louis Weingartner. Especially do we wish to thank those who sent spiritual offerings, donated the use of their cars or in any other way assisted us. The kindness shown us at this time will never be forgotten.

Signed: The Family Of Mrs. Louis Weingartner
